

# VERAMONTE

SOMETHING REMARKABLE AWAITS

## RED BLEND 2013

### LUSCIOUS. RICH. VELVETY

#### The Appellation: Central Valley

Veramonte Red Blend is sourced from our three estate vineyards in Chile; the Casablanca property's cool climate conditions and proximity to the ocean deliver freshness and bright acidity, while our estates in Apalta and Marchigue in the Colchagua Valley provide texture and volume.

#### The 2013 Vintage:

The 2013 vintage had optimum growing conditions with moderate temperatures that allowed for slow ripening of the grapes ensuring fresh and consistent aromas.

#### The Wine:

Enticing aromas of ripe fig, plum and blackberry are mingled with rich notes of nutmeg, vanilla and pepper. This mouthwatering Red Blend is rich and velvety with flavors of ripe cherry and blueberry and an elegant hint of spice.

#### Winemaker's Notes:

We combined five distinct varietals from our estate vineyards in Chile. Merlot from our cool climate Casablanca estate adds bright notes of cherry and raspberry; Cabernet Sauvignon & Syrah from our Apalta estate adds dark notes of fig, blackberry and black currant, richness and structure; Carmenere and Cabernet Franc from our Marchigue vineyard completes this blend with roundness, earthiness and a hint of spice.

To create a seamless blend of superior character, we co-fermented several varieties together. Native fermentation gives this wine uniqueness and multilayers of aromas and flavors.
