

Veramonte

SOMETHING REMARKABLE AWAITS

RED BLEND 2014

LUSCIOUS. RICH. VELVETY.

The Appellation: Central Valley

Veramonte Red Blend is sourced from our three estate vineyards in Chile; the Casablanca property's cool climate conditions and proximity to the ocean deliver freshness and bright acidity, while our estates in Apalta and Marchigue in the Colchagua Valley provide texture and volume.

The Vintage: 2014

The 2014 vintage produced great quality fruit due to low yields and dry growing conditions during spring and summer with wide thermal amplitudes between day and night. Slow ripening of the grapes enabled them to preserve their freshness, flavor, aroma, and an elegant acidity.

The Wine:

Enticing aromas of ripe fig, plum and blackberry are mingled with rich notes of nutmeg, vanilla and pepper. This mouthwatering Red Blend is rich and velvety with flavors of ripe cherry and blueberry and an elegant hint of spice.

Winemaker's Notes:

We combined distinct varietals from our estate vineyards in Chile. Merlot from our cool climate Casablanca estate adds bright notes of cherry and raspberry; Cabernet Sauvignon & Syrah from our Apalta estate adds dark notes of fig, blackberry and black currant, richness and structure; Carmenere and Cabernet Franc from our Marchigue vineyard completes this blend with roundness, earthiness and a hint of spice.

To create a seamless blend of superior character, we co-fermented several varieties together. Native fermentation gives this wine uniqueness and multilayers of aromas and flavors.

Alcohol: 13.5%

Oak: 8 months in French Oak, 30% new
