SAUVIGNON BLANC 2015

VIBRANT. CRISP. FRESH.

Appellation: Casablanca Valley

The Casablanca valley is a cool climate area on the northwestern side of Chile's coastal range less than 30 kilometers from the Pacific Ocean. Our estate occupies the extreme eastern end of the valley and is noted for its gentle Pacific breezes and early morning fog, making it the ideal climate for producing cool climate varietals such as Sauvignon Blanc, Chardonnay and Pinot Noir.

The Vintage: 2015

Harvest 2015 had a very positive development, and yields within expected. The season was marked by a very beneficial rainfall at the beginning, great for the evolution of the vines. Weather conditions and extended temperature range between day and night allowed for slow ripening of the grapes, maintaining excellent quality of fruit and freshness. These conditions, together with careful vineyard management resulted in elegant notes and a complex aromatic profile.

The Wine:

Vibrant and aromatic, with citrus aromas of lime and tangerine, blended with subtle floral notes. Smooth and fresh, this Sauvignon Blanc has great mouthfeel and a long finish.

Winemaker's Notes:

One hundred percent of the Sauvignon Blanc grapes come from our Casablanca estate. The grapes are harvested at night in order to maintain fresh and bright acidity, then the fruit goes straight to the press where the juice sits for 24 hours. After three days the juice is racked off of the lees to finally ferment at low temperatures in stainless steel tanks ensuring multilayers of aromas and flavors.

Varietal Composition: 100% Sauvignon Blanc

Alcohol: 13.5%
